- ★ Our local office moved without hesitation, carrying life-saving aid into the heart of the ongoing catastrophe.
- ★ Al-Baraka Orphanage Camp sheltered orphaned children and their guardians when they had nowhere else to turn.
- ★ Kuwait Specialty Field Hospital rose into a full emergency facility, saving lives when it mattered most.
- ★ Mobile clinics, food packages, and clean water reached families across Khan Yunis/Mawasi, Gaza City, North Gaza, and Deir al-Balah.
- ★ Tent mosques gave thousands of displaced people a sacred place to pray, reflect, and belong.
- ★ A new livelihood program gave families skills to rebuild, not just survive.
- ★ Through airdrops, soup kitchens, water trucks, and daily aid, we carried dignity and hope to those who refused to be forgotten.
