INDEPENDENT AUDITORS' REPORT

To the Board of Directors
The Zakat Foundation of America

Report on the Financial Statements

We have audited the accompanying financial statements of The Zakat Foundation of America (an Illinois not-for-profit corporation), which comprise the statements of financial position as of June 30, 2017 and 2016, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Zakat Foundation of America as of June 30, 2017 and 2016, and the changes in its net assets and its cash flows for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Kuitte ; associates, P.C.

NOTE 1 - NATURE OF ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES

A) Organization and Nature of Activities

The Zakat Foundation of America (the "Foundation") was incorporated in the state of Illinois on July 24, 2001. The Foundation is involved in the relief and development for individuals and communities in various third world countries, providing emergency aid, food distribution, education, development, health programs, and orphan sponsorship as follows:

Emergency Relief - Includes programs that assist in reviving the economies of communities devastated by natural and man-made disasters. These services are provided by the Foundation and sometimes through the Foundation's partners and the United Nations agencies to provide relief to refugees and other affected people.

Seasonal Programs - Includes programs providing food to needy individuals around the world for immediate and long-term sustenance, as well as two extensive seasonal food distribution programs, Ramadan and Udhiya (Food Security). The Foundation also distributes heavy jackets, blankets, comforters, and other items under the winterization program.

Education - Includes programs that address a lack of education among children and adult literacy by providing funds for materials, supplies, support and construction of schools, and provide higher education for teachers.

Development - The Foundation offers various programs under development:

- a) Health and Wellbeing: Healthcare programs that improve individual and community health through education, immunization, and other preventative measures; including operations of funding of clinics, hospitals, and other healthcare institutions; improvement, rehabilitation and renovation of the existing healthcare infrastructure; and the provision of medicines, medical supplies, and medical equipment to healthcare facilities.
- b) Sadaqa Jariya (Continuous Charity): Providing destitute communities with ongoing assistance by building water wells and hand pumps for drinking and small agricultural irrigation, providing shelter, and building mosques and other amenities.
- c) *Animal Husbandry*: For sustainable economic development, the Foundation provides needy individuals and their communities cows, sheep, and other animals as an income source to sustain their livelihood.

NOTE 1 - NATURE OF ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

A) Organization and Nature of Activities (Continued)

Development (Continued)

- d) Vocational Training: Providing less fortunate individuals, families, and communities (such as refugees, widows, and orphans) vocational training in sewing and making small saleable items such as hand bags, leather wallets, shoes, and other items. The Foundation also distributes sewing machines and equipment to individuals to earn income for themselves.
- e) *Micro Financing*: Providing small micro financing programs for improving economic and social conditions to destitute families.

Orphan Sponsorship – Includes locating and providing single-parent or orphaned children with daily care, clothing, healthcare, and education by assisting single-parents or caretaker/guardians, or by enrolling children in orphanages run by the Foundation or their partner organizations.

Other Program Support - Includes all ancillary program services needed to maintain and enhance specific program sectors.

B) Method of Accounting

The Foundation's accounts are maintained on the accrual basis of accounting. Grants and other contributions are reported as temporarily restricted support if they are received with stipulations that limit the use of the funding. When the restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities as net assets released from restrictions. Expenses are recorded when incurred.

The Foundation reports information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. The Foundation does not use fund accounting.

NOTE 1 - NATURE OF ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

C) Accounting Policies

Cash and Cash Equivalents - For purposes of reporting cash flows, cash is defined as cash on hand, amounts held at financial institutions, and short-term highly liquid investments that are readily convertible to known amounts of cash. Investments with an original maturity of three months or less are considered short-term for these purposes.

Investments - Investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values. Fair value is determined by reference to quoted market prices and other relevant information generated by market transactions. Unrealized and realized gains and losses are included in the change in net assets.

Refundable Building Deposit - The Foundation paid a \$599,664 deposit for the purchase of a building. The transaction was cancelled by the seller in July 2017 and the Foundation was subsequently refunded the full deposit amount.

Fixed Assets - Fixed assets are recorded at cost. Expenditures for repairs and maintenance are charged to expense as incurred, whereas renewals and betterments that extend the lives of fixed assets are capitalized. The Foundation capitalizes assets with an original cost of \$1,000 or greater. Depreciation and amortization is computed on the straight-line or double-declining balance methods over various useful lives. Depreciation and amortization expense for the years ended June 30, 2017 and 2016 amounts to \$79,871 and \$89,161, respectively.

Revenue - Contributions are reported as temporarily restricted support if they are received with donor stipulations limiting the use of the donated asset.

Advertising - Advertising costs, except for costs associated with direct-response advertising, are charged to operations when incurred. The costs of direct-response advertising are capitalized and amortized over the period during which future benefits are expected to be received. At June 30, 2017 and 2016, the Foundation has no costs associated with direct-response advertising. Advertising expense is \$284,713 and \$464,329 for the years ended June 30, 2017 and 2016, respectively.

NOTE 1 - NATURE OF ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

C) Accounting Policies (Continued)

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Income Taxes - The Foundation is a not-for-profit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and is classified by the Internal Revenue Service as other than a private foundation. Accordingly, a provision for income taxes has not been made on the financial statements. The Foundation files its tax returns with U.S. federal and various state and local tax jurisdictions. With few exceptions, the Foundation is no longer subject to examinations by major tax jurisdictions for the years ended June 30, 2014 and prior. The Foundation had no income tax expense for the years ended June 30, 2017 and 2016, respectively.

NOTE 2 - CONCENTRATION OF CREDIT RISK

The Foundation has deposits at one financial institution in excess of federally insured limits of approximately \$5,125,000 and \$4,600,000 at June 30, 2017 and 2016, respectively. The Foundation has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash and cash equivalents.

NOTE 3 - INVESTMENTS

At June 30, 2017, the Foundation's investments are stated at fair value and consist of the following:

Fair Value at June 30, 2017		Acti for	ve Markets Identical	Unobservable Inputs (Level 3)		
\$	26,690	\$	26,690	\$	0	
	6,000		0		6,000	
\$	32,690	\$	26,690	\$	6,000	
	Jun	June 30, 2017 \$ 26,690 6,000	Fair Value at June 30, 2017 Asse 6,000	Fair Value at June 30, 2017 \$ 26,690	Fair Value at June 30, 2017 Assets (Level 1) \$ 26,690 \$ 26,690 \$ 6,000 0	

NOTE 3 - INVESTMENTS (CONTINUED)

At June 30, 2016, the Foundation's investments are stated at fair value and consist of the following:

	Fair Value at June 30, 2016		ted Price in ve Markets · Identical ts (Level 1)	Unobservable Inputs (Level 3)		
Mutual Funds	\$ 23,276	\$	23,276	\$	0	
Land	6,000		0		6,000	
	\$ 29,276	\$	23,276	\$	6,000	

Generally accepted accounting principles provide the definition of fair value for financial reporting, establish a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value, and require disclosure about the use of fair value measurements. The Foundation uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Foundation measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. When no Level 1 or 2 inputs were available to the Foundation, one investment was valued using Level 3 inputs.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on unadjusted quoted market prices in active markets for identical assets.

Level 3 Fair Value Measurements

The fair value of land is based on prices or valuation techniques that require inputs that are both unobservable and significant to the overall fair value measurement.

NOTE 4 - CAPITAL LEASE OBLIGATION

The Foundation was the lessee of a vehicle under a capital lease which expired on July 2016. The asset and liability under the capital lease was recorded at the lower of the present value of the minimum lease payments or the fair value of the asset. The asset was depreciated over the lower of its related lease term or its estimated productive life. The cost of the asset under the capital lease was \$50,794. Depreciation of the asset under the capital lease was included in depreciation expense. The asset was returned at the termination of the lease. The lease liability was extinguished in full on July 17, 2016. A corresponding gain on cancellation of lease of \$30,580 has been recognized for the year ended June 30, 2017.

NOTE 5 - IN-KIND DONATIONS

Donated Goods - Donated goods are recorded at fair value on the date of receipt. The Foundation received donations of medical supplies and equipment, clothing, food, and supplies to benefit refugees with a fair value of \$2,431,383 and \$269,629 for the years ended June 30, 2017 and 2016, respectively. These amounts are included in In-Kind Donations Revenue and Program Service Expense in the Statements of Activities.

Donated Services - Donated services are recognized as in-kind revenues at their estimated fair value when they create or enhance nonfinancial assets or they require specialized skills which would need to be purchased if they were not donated. The Foundation receives donated services from a variety of unpaid volunteers assisting the Foundation in its programs. No amounts have been recognized for these services in the accompanying statements of activities because the criteria for recognition of such volunteer effort have not been satisfied.

NOTE 6 - LEASE COMMITMENTS

In 2012, the Foundation entered into a lease for a community center space in Chicago with minimum monthly payments of \$1,500 covering the period May 1, 2012 through April 30, 2017. The lease allows for two five year extensions. The Foundation cancelled the lease during the year ended June 30, 2016.

In April 2014, the Foundation entered into a lease for additional office space in Washington D.C. with minimum monthly payments of \$1,842 plus fees covering the period April 21, 2014 through April 30, 2015. The Foundation did not renew this lease and leased the space on a month-to-month basis until May 1, 2016. On that date, the Foundation entered into a lease agreement with minimum monthly payments of \$190 covering the period from May 1, 2016 through May 31, 2017. The lease was extended through November 30, 2018.

NOTE 6 - LEASE COMMITMENTS (CONTINUED)

In October 2014, the Foundation entered into a lease for additional office space in Delaware with minimum monthly payments of \$2,760 covering the period December 1, 2014 through January 1, 2016. The Foundation did not renew this lease. Prior to this lease, the Foundation leased its office space in Delaware on a month-to-month basis.

In November 2015, the Foundation entered into a lease for additional office space in Bensenville, Illinois with minimum monthly payments of \$3,900 covering the period of January 1, 2016 through December 31, 2016. The lease was not renewed.

In April 2016, the Foundation entered into a lease for additional office space in New York, New York with minimum monthly payments of \$2,300 on a month-to-month basis.

In June 2017, the Foundation entered into a lease for a wellness clinic in Worth, Illinois with minimum monthly payments of \$3,200 covering the period of August 1, 2017 through July 31, 2020.

In July 2016, the Foundation entered into a lease for a vehicle with 36 minimum monthly payments of \$663 through June 2019.

Rent expense for the years ended June 30, 2017 and 2016 amounts to \$40,249 and \$62,976, respectively.

Future minimum lease commitments under these operating leases are as follows:

For the Year Ended June 30, 2018	\$ 52,756
2019	54,356
2020	38,400
2021	3,200
	\$ 148,712

NOTE 7 - CONCENTRATION OF FOREIGN OPERATIONS RISK

Contributions are raised in the United States of America. Major program activities funded by the Foundation occur in foreign countries torn by war, famine, or natural catastrophe and are undertaken on behalf of the Foundation by local authorities and organizations. It is considered reasonably possible that operations outside the U.S. could be disrupted due to political events. This disruption could materially affect the amount of contributions raised in the U.S. or result in a loss of funds transferred overseas that were intended to operate these programs. The Foundation has assets outside the U.S. with a carrying value of \$272,521 and \$285,690 as of June 30, 2017 and 2016, respectively. The Foundation operates in the following regions: Central America, East Asia and the Pacific, Europe, Middle East and Northern Africa, South America. South Asia, and Sub-Sahara Africa.

NOTE 8 - RETIREMENT PLAN

Beginning in fiscal year 2017, the Foundation maintains a 401(k) defined contribution plan. Employees over the age of 21 with over three months of service are eligible to participate in the plan. The Foundation matches contributions dollar for dollar up to 3% of gross wages. Foundation matching contributions are \$3,323 and \$0 for the years ended June 30, 2017 and 2016, respectively.

NOTE 9 - SUBSEQUENT EVENTS

The date to which events occurring after June 30, 2017, the date of the most recent balance sheet, have been evaluated for possible adjustment to the financial statements or disclosure is February 5, 2018, the date the financial statements were available to be issued.
