

ABOUT US

OUR MISSION

ZF fosters charitable giving to alleviate the immediate needs of poor communities and to establish long-term development projects that ensure individual and community growth worldwide.

OUR COMMITMENT

As a US-based, Muslim-run charity organization, ZF shows the inclusive beauty of Islam through programs that reach the destitute both at home and abroad. Since its establishment in 2001, ZF has progressed from mostly offering immediate emergency aid and Seasonal Programs to a focus on severing the roots of poverty, utilizing Zakat and Sadaqa donations to develop long-term, sustainable solutions.

“Poverty knows no religion.”
– Khalil Demir, ZF Executive Director
